

Rules & Tips

- Please do not leave fire pit unattended, and make sure to douse fire pit with ample amounts of water. See bucket attached to tree for this purpose.
- Night owls, remember to quiet down after 10:00 PM for those early to bed types.
- Early birds remember that people like to sleep in on vacation, so keep it down until at LEAST 8:00 AM.
- Deep Woods Off works best for mosquitoes.
- DON'T MISS THE SUNSET !!! It's the best.
